SLEEP BROKEN BY ITCHING ECZEMA

Skin of Whole Body Covered for a Year—Awful Itching Kept Sufferer Awake Half the Night—Tried All Kinds of Remedies but They Had No Effect.

CUTICURA REMEDIES A PERFECT SUCCESS

"I wish to let you know that I have used one set of Cuticura Remedies—one cake of Cuticura Soap, one box of Cuticura, and two vials of Cuticura Resolvent Pills—which cost me a dollar and twenty-five cents in all. For a year I have had what they call eczema. I had an itching all over my body, and when I would retire for the night it would keep me awake half the night, and the more I would scratch, the more it would itch. I tried all kinds of remedies, but could get no relief. A friend of mine told me to try the Cuticura Remedies which I did, and am very glad I tried them, for I was completely cured. If any of my friends should be troubled with the same disease, I will cheerfully recommend the Cuticura Remedies, and if I know any one who wants to know how I cured myself, I shall be glad to tell them. Walter W. Faginsch, 207 N. Robey St., Chicago, Ill., Oct. 8 and 16, 1906."
